Amarie on Gourmont

April 4, 2021

Dr. Olga Amarie's literary criticism entry on Remy de Gourmont (1858-1915) was published in the Twentieth-Century Literary Criticism (TCLC) series by Layman Poupard Publishing for Gale/Cengage Learning's Literature Criticism Series, the largest curated online collection of literary criticism in the world.

Dr. Amarie had a double role in the project, that of academic advisor and that of author for the introduction essay, the list of major works, the major trends in scholarship on this author, the best print biography, the translation for non-English titles, the list of known translations, and an anthology-style selection of reprinted criticism.
